IS YOUR BUSINESS CORPORATION IN GOOD STANDING WITH THE SECRETARY OF STATE'S OFFICE?

If you are a corporation or limited liability company be sure you are in good standing with the Commonwealth of Kentucky. The ABC cannot issue or transfer a license until the Secretary of State's office confirms that you are in good standing with the State. You may contact the Secretary of State's office at 502/564- 3490 to confirm your status.

ALCOHOL AND MINORS

KRS 244.085(3) provides that "a person under 21 years of age shall not possess for his or her own use or purchase or attempt to purchase or have another purchase for him or her any alcoholic beverages." In addition "No person shall aid or assist any person under 21 years of age in purchasing or having delivered or served to him or her any alcoholic beverages."

RECERTIFICATION FOR STAR PROGRAM

Persons attending the STAR program are certified for a period of three (3) years upon successful completion of the class. As the STAR program has been in existence for over three (3) years, we have implemented a recertification program to enable servers and sellers the opportunity to renew their STAR certification in an abbreviated fashion. Upon completion of the law and fake I.D. sections, attendees will be allowed to take the exam. A passing score is required for re-certification. This certification will be valid for an additional (3) years. Persons will register through the ABC Office as normal. A state wide schedule and registration form are located on page 2 of this article.

KENTUCKY STATE FAIR

The Office of Alcoholic Beverage Control will be represented at the fair this year in conjunction with the Department of Public Protection. There will be educational trivia games, fatal vision goggles as well as lots of information on the alcohol industry. Stop by and visit our booth!
